Updated 24/08/19

Direction for materials

Pile foundations, Public works, Civil engineering, River & maritime related works.

A) New entry, magnificent crawler crane HITACHI KH700 of 175 tons

- 3+2 FUNDEX F12 + DELMAG D22 to D30
- 1 FUNDEX F16 + DELMAG D62 + IHC 70 hammer
- AMERICAN 999 (100T)
- 1x LINKBELT LS 180
- 4 x NCK 406, 4 x NCK 605, 3 x NCK 1405 (100T), 1 NCK Ajax (60T)
- HITACHI KH150 generators and power pack of different powers + pumps
- KOBELCO 7080
- MANITOWOC 250T, drilling mast of 40 meters + powerful hydraulic hammer KLEMM 1425
- 2 to 4 ALTO (micro piles and water drilling of 23 tons of TECSYSTEM)
- 1 COMACCHIO MC600
- 1 KLEMM 806
- 1 spider excavator CAMUC (excavator bucket and drilling mast)
- 1 SANDVIK TAMROC 10T (scout 700-2 Type DDB)
- 1 BRUNELLO 10T
- 1 IPC 1400 + rotating head of 12T + one IPC 1200 with 10 meters mast
- 1 PUNTEL 10T

B) Available for sale:

1) Soilmec 312 HD, year 1999, **CFA / KELLY combined** - Cranted interlock depht 38 meters - good condition, tested, revised, 8000 hrs, CFA of Ø 800mm, height 12,5 meters, new painting, weight 36 tons, with monitor Jean Lutz, available.

Franco port Rabat, Morocco - Price: 118.000 euros without tax

2) 1 machine CASE POCLAIN 170CK revised, tested, like new 50 tons, 9000 hrs with 3 functions.

A) Has CFA Ø 400 - 600 - 700 - 800mm, height 22 meters with front hydraulic stabilizers.

B) Diaphragm wall grab with standard Kelly bar KRC2 widths 500 to 1200 mm, depth 25 meters.

C) Telescopic mast, height 18 meters with vibro Pajot, 1 ton for sheeting piles, tubes, H piles.

Berliner and comparable.

Ex Lyon Price: 120.000 euros / full lot without tax

3) KOMATSU DEMAG H85 550 CV revised, tested, rebuilt like new, weight 120 tons, vibro ICE 12 tons, front Ø 2400mm, power pack 650CV, Mast 24 meters, Kelly bar rotation friction rotation behind Ø1300mm, depth 70 meters.

Ex Lyon Price: 240.000 euros without tax

4) 1 CMV carrier TH 10-30 of 40T, price on application with adaptability of a hammer, vibro etc

5) 3 x BG12 carrier of 40T + spare parts

6) Cranes PINGUELY 2 X 45 tons + 1 X 65 tons + 20 tons spare parts plus 3 arrows, 3 heads, 3 winches new, can work 100 years. All revised, tested, and repainted.

Ex Lyon Price: 130.000 euros without tax

7) a) 1 casing oscillator LEFFER 1500mm + Power pack – Departure from Morocco 30000 euros

b) 2 Dessander SOTRESS 120m³ + spare parts batch of engines – vibrators.

Ex Lyon price: 25000 euros

8) 4 x excavators LIEBHERR 944C price on request with adaptability of a hammer, vibro etc

9) 2 Vibro PTC 25H1 + power pack + clamps 2 X 50 tons for pipes + cables

Ex Lyon price: 58.000 euros without tax – everything revised in 2 months

10) 3 Vibro 30H1 + power pack

78.000 euros without tax – everything revised - in 2 months

11) 50 tons of tools revised and pipe casings bucket/CFA all types, available in Lyon.

Ex Lyon price on request on inspection.

12) Crane for truck, 10 tons, Mark HMF, 3 telescopic elements and bucket, reconditioned, tested.

Ex Lyon price: 8.000 euros without tax.

13) Cadre 20/40 ft HYSTER Container holder for Fork – Crane – Leader head.

14) 6 mats, small and big leader, height 20 to 30 meters.

15) 4 AIR BSP Hammers 4 and 5 tons

16) 3 cranes 20T PPM – PH + Benoto CP4 + valves drill bits + spare parts for water well Ø 500 to 1200 depths 60 meters (clearance price).

17) A bottom hole air hammer 12” ROTO ODEX with 30 meters of guide pipes roto percussions Ø 355 X 12mm

18) 2 Putzmeizer pumps 1408-1409 80/90 m³ on tracks.

19) 4 Putzmeizer pumps 40/50 m³ on wheels and one electrical of 150 m³ big power 200 bars.

20) Liebherr 934, 35 tons, auto floating, onshore /offshore on two 40 ft Aluminum boxes and also movable on land, - 4 Liebherr 944 standard around 70 000 euros/ each.

- 21) 5 compressors INGERSOLL RAND 12 bars 24m³/minute and 1 COMPARE and 2 ATLAS COPCO of 12 bars 20/24m³/minute.
- 22) 1 compressor ATLAS COPCO PV 28 d'octobre 2017, 28 bars, 30m³/minutes, 900 hrs,
- 23) 1 LIEBHERR 914 excavator on wheels, 35 tons, terrestrial and auto-flottant, on-shore /offshore 2 x box of 30 ft
- 24) 1 MANITOU rotative MRT 25-40 MEZ of 2007, 2,600 hours approx
Price Ex Lyon: 35,000 euros
- 25) 1 MANITOU rotative MRT 21-45 of 2002, 6000 hours with large fork bucket 2200mm for ariel platform and hook with remote control.
Price: 35,000 euros
- 26) 1 MERLO rotative 45-21 KSC de 2002 with electric fork and prehemtions + hydraulic for ariel platform and winch
Price: 22,000 euros
- 27) Hydraulic hammers IMC70
- 28) Diesel hammers Delmag D62 and D22 to D36 - D80 and **80 more machines of a big group T--- --I. All cranes types, drilling machines, Tunnel boring machines in the process of leaving Iran for the benefit of the USA.**
- 29) MAIT HR180 good condition, revolving with 2 Kellys 40 and 50 meters, year 2003, 13.000hrs, motor CAT C9 ATAAC 240KW
- 30) Liebherr HS 882 revolving lattice boom, 30.000hrs, 1995, motor C46007, 492 KW. In 2 months
- 31) Dredge, pontoons, mono blocks of capacity from 400 to 1400 tons + other fluvio-maritime materials and similar new modular pontoons of 36 tons capacity each.
- 32) CABOT 750 for gas & work-over drills, depths 3000 meters with all spare parts – Generators API certified Gas petrol and work over jobs

C) For all publicity of XCMG materials on French-speaking countries and customers to consult us. Please visit www.xcmg.com site. OF COURSE INDICATIVE PRICE: To study (FINET - THIRU - XCMG) with technical and human support of the factory 24 x 7 for all globally. We will hold briefings ASAP.

Legally if you cannot work anymore with Iran and that you make the choice maintain your activities on the USA, we can represent you in Iran. Our collaborator Mr.KADER present on the spot in oil the para field exercised 30 years there. He studied under president BOUMEDIENNE in Russia, speaks 5 languages including two Iranian. We do not have any activity on the USA and can adapt us to the “new policies” the Indians, Chinese, Russia will arrive in great force to IRAN.

D) Representation of a private shipyard Indian of 500HA, able to make new boats up to 10.000 tons + all large parts - Platforms - Piers - Mechanic - Welded - PRS.
Destruction of the boats users at the end of the lifetime in India.

E) Representation on French-speaking countries: grouping of the demolition contractors, demolition and valuation of worn boats. They are purchasers of all types of heavy naval materials for the demolitions.

F) Possibility of having (discussions in progress) to even take the continuation of leasing's. The 'Italian MAJOR' concerned would be laid out without conditions of giving up its rental calendar shares according to their durations of financing initial.

Example: Original cost of a modular pontoon of 12 elements for 600.000 euros HT over 60 months in initial value - 24 months in leasing to pay, balance 36 months to be financed. With the end the new tenant will become its completely owner. We make an effort with my Italian friend associated in relation since 3 generations with this great group and 10 financial institutional to target well, to identify to locate the products concerning us.

Regular requests:

Thank you to inform us of the machines for drillings - piles - foundations - cranes of building site which you would have or know to sell for great export and repairing Local in France Italy Morocco also (in India for local sale and exports on the close Asian countries), always inform us in both the emails:

m.finet@sfr.fr (Francophone FR-CE – Gulf countries)

thiruma01@gmail.com (Anglophone – Asia zone) speak/write 6 languages

G) Summary of the Cranes occasions to the sale

- a- Cranes PINGUELY 2 X 45 tons + 1 X 65 tons + 20 tons spare parts plus 3 arrows, 3 heads, 3 winches new, can work 100 years. All revised, tested, and repainted.
- b- 3 cranes 20T PPM – PH + Benoto CP5 + valves, drill bits + spare parts for water wells of Ø 500 to 1200mm depth 60 meters (clearance prices).
- c- 1 crane HITACHI KH700, boom 50 meters capacity 175 tons, very good condition, year 1982, booms 50 meters.
- d- 1 crane HITACHI KH150, 2 booms 40 tons, serial n° 190-418 year 1979. Booms 36 meters.
- e- 1 crawler crane, mark Kobelco 7080, year 1992, serial n° GK00174.
- f- 4 cranes NCK Rapier, model 406, serial n° 41197 year 1980, serial n° 41192 year 1980, serial n° 41117 year 1975, serial n° 41210 year 1982.
- g- 4 cranes NCK Rapier, model 605 of 50/60 tons, serial n° 66716R year 1989, serial n° 66486 year 1988, serial n° 66705 year 1986, serial n° 66181 year 1973.
- h- 2 cranes NCK Rapier, model 1405 of 100 tons, serial n° 14029 year 1967, with free fall.
- i- 1 crane American 999, year 1977, hours 7,750 of 120 tons
- j- 1 crane MANITOWOC 240 tons
- k- 1 crawler crane mark Link-belt , Model LS 180

Following acquisitions of machine with our associated customers/contacts/Italian principals we can propose in hiring.

For rental or sale, good condition, available in Italy – North Africa
