OF COURSE THESE ARE INDICATIVE PRICES: NEGOTIABLE.

Legally if you cannot work anymore with Iran and so to maintain your activities in the USA. We can represent you in Iran. Our collaborator Mr. LEBAH was in the field of para petroleum since 30 years to execute them. He was trained in Russia after BOUMEDIENNS, he speaks 4 languages including two Iranian languages. We do not have ourselves do not have any activity in the USA.

Salutations,

M.FINET
